FIRST DAY BACK FOR STUDENTS - TERM 4 TUESDAY 6TH OCTOBER

School Extravaganza Performance

“Let’s Dance”

The school held its biannual “School Extravaganza – Let’s Dance” concert during Week 9. The concert was well supported by the community for all 3 amazing performances. The students were brilliant in performing and entertaining the huge crowds. The students and the teachers had worked all term on their items and it was evident to all that a lot of time and hard work was put in to every performance. The students once again loved performing on the “big stage” and the experience has unearthed some wonderful talented performers.

A huge congratulations and thank you to Mrs. Wakeling, Ms. Nair and the remainder of the Extravaganza committee in organising and presenting such an incredible experience for all – you did an awesome job. On behalf of the school a massive thank you must go to the team of instructors from “Dance to be fit” for sharing their expertise and helping to make the experience a positive one for all. The photos capture the joy and happiness shared by all of the students that graced the stage.

**Girls Football State Knockout Report**

The Girls Football State Knockout team played against a very strong Winston Hills Public School for a place in the final 8 school teams of NSW. The team started off well and dominated the game from the outset. The pressure paid off and the girls were awarded a penalty, which Olivia slotted home for a well deserved 1-0 lead. Winston Hills then played with greater intensity and applied pressure to our defence. The girls defended valiantly until the referee spotted a hand ball and awarded a penalty. The game was then 1-1 and that is how the game finished up at full time. The teams could not be separated even after 10 minutes extra time which meant that a penalty shootout would decide the game. The girls were absolutely exhausted from 2 nights of Extravaganza and Regional Athletics but too their credit they gave their all. The penalty shootout was intense with both teams having penalties saved by the goalkeepers. In the end, Winston Hills prevailed 3-2 in penalties and ended our amazing run in the state knockout. I was extremely proud of the girls’ efforts and excited by the progress and improvement of the team. They have been a credit to the school. I would like to thank the parents and family members who have continued to support the girls, it is much appreciated.

Congratulations. I am a very proud coach.
