From the Canteen...

The Canteen is looking forward to another great school year at St Helens Park.

Please find attached a copy of the 2015 summer menu that covers both term 1 and 4. A winter menu, for term 2 and 3, will be distributed later in the term. Throughout the year we hope your child enjoys the variety of fresh food available. If your child has any dietary requirements or you wish to know about a particular product, please come and talk to me.

All lunches are sent to your child’s class, the only exceptions are items from the freezer and slushys. These will need to be picked up from the Canteen during lunch or recess. All items on the menu can be ordered for and collected by your child at recess.

We will have a number of special “LunchBox” days throughout the year that coincide with events happening within the school community. We will also be open during school events for parents and friends to purchase. On these days, it is suggested you pre-order to avoid disappointment, as only a small selection is available on the day.

The Canteen also offers a daily $5 Sandwich Special and a Tuesday Treat Day.

We look forward to seeing all the students smiling faces throughout 2015 😊

Claire - Canteen Manager

$5 Sandwich Special is great value and available every day. The offer includes a sandwich of your choice, serve of seasonal fruit, half a bag of popcorn and small water.

Treat Tuesday! Order your lunch on a Tuesday and receive a FREE Zooper Dooper!!! A token is placed in the lunch bag, so make sure you keep it and bring it to the canteen at lunch or recess to get your Zooper Dooper.
